Macular Corneal Dystrophy clear

Long Coat clear

Clear By Parentage for: EIC Clear, D LOCUS Normal, Pure for Chocolate

Jimmy is a once in a lifetime dog. He is easy to live with, perpetually happy, smart and eager to please. Well-known AKC judge/ presenter/author Pat Hastings evaluated Jimmy at 11 months; her comment: "You're going to have fun with this boy!" -- We have!

With handlers Rebecca Clas Kirzner and Mikala Nicole Berta (and occasional assists from BFF Rosanne Connelly and Bunny), Jimmy has had an amazing show career: 22 Best of Breeds and finishing in the 2021 Top Twenty. Judges have often complimented on his balance, length of leg, gorgeous head, double coat and lovely movement. Jimmy began his show career with a bang, winning the Sporting Group at his first large all-breed puppy match. At his second AKC show, he took RWD out of the 6-9 puppy class. Also as a puppy, he won Best in Show at his first UKC show. Our last big competition was the Labrador Retriever Club Top 25 Gala in 2022 where Jimmy was The People's Choice Award Winner! We are so very proud of this award. Jimmy loves to show!

Bunny trains Jimmy for all his performance events. Jimmy had 4 straight passes for his Junior Hunter title and is currently training for his Senior Hunter. Jimmy completed his RN and RI titles easily and is training for his RA. He earned his CD right before Christmas 2022. We hope to also earn his CDX in the Fall of 2023. He is the PERFECT training partner.

Jimmy has an exceptional pedigree. He is the third generation of our breeding. His dam, Abby, was the 2018 Labrador Retriever Club of the Potomac Outstanding All-Around Labrador of the Year! His Grand dam, Glory, was our first AKC CH. His sire and grand sires are producers of many AKC Champions. All the dogs (males) in his pedigree are pretty special!!
